**Last year Home-Start IOW supported
145 families with 300 children**

Home-Start support helps to:

- Reduce family isolation and increase social support networks
- Strengthen parent-child relationships
- Improve parents' physical health & emotional well being
- Develop and improve parenting skills
- Improve the home environment
- children's health, well-being and development
- Increase access to health, education and community services
- Support interaction between parents and children, which aids child development and increases children's self-esteem
